163	Christian Martinez signature model, the same cup that the 163's trumpet mouthpieces With a deepest cup

For all models throat #19

Except 163 :#22

& 169 :#26

“A big thanks to Dimitri Donat who designed me a flugelhorn mouthpiece.
This mouthpiece is a perfect synthesis that combines the qualities of my trumpet mouthpiece and what I'm looking for on my flugelhorn.
This means a comfortable mouthpiece while keeping the soft sound of this instrument.
This mouthpiece is called #169”
Erik Truffaz
